EDUCATION

CRAIG NEWMARK GRADUATE SCHOOL OF JOURNALISM AT CUNY
M.A. in Journalism, Urban Concentration. Expected Graduation: Dec. 2020

Related Coursework
Multimedia Interactive Reporting — Developed stories and interactives with HTML, CSS and Atom. Stories include scraping NCAA college football annual gross revenue data with Python and Google Sheets and presenting information through Datawrapper software maps.

STONY BROOK UNIVERSITY
B.A. in English, Honors College. Graduation Date: Dec. 2013

EXPERIENCE

THE BEACON   *June 2020 – Aug. 2020*
DATA/INVESTIGATIVE REPORTING INTERN
Reported on criminal justice in the Kansas City Metro Area. Used Python and Jupyter Notebook software to analyze 20 years of police fatal-encounter data and filed 15 freedom of information requests to write a 1,200-word investigative piece on lack of police use-of-force policies leading to civilian deaths.

NYCITY NEWS SERVICE   *Aug. 2019 – Present*
REPORTER
Cover urban government and politics, social services and criminal justice across the city for this Newmark J-School news service. Stories include coverage of the Liberty Ave street-naming ceremony in honor of fallen detective Keith L. Williams. Produced, shot and edited a news feature for 219West TV magazine profiling a vegetarian hunger-relief organization, Community Solidarity, Inc.

12UPSPORTS   *Sept. 2017 – Jan. 2019*
WRITER
Wrote a dozen 250-word blog articles per day, producing over 2,000 articles across all major United States sports leagues. This resulted in over 20 million clicks. Stories include an interview with veteran NFL head coach John Fox and his draft day experiences.

BLEACHER REPORT   *Feb. 2016 – March 2017*
CONTENT EDITOR
Edited 3-5 articles per hour in a fast-paced, deadline-driven newsroom covering the NFL, NBA, MLB and NHL.
